Franchise Model #1

Car Wash

Fast and Hygiene wash solutions

The Car Wash model represents an accessible entry point into the lucrative auto care industry. It requires a manageable initial investment of ₹5 Lakhs and can be operational in a compact space of just 600 SFT. Designed for fast and hygienic wash solutions, this model offers one of the quickest returns on investment (ROI) in the industry, estimated at only 6 months. This makes it an affordable business model with a quick ROI.

Highlights

- Affordable business model with quick ROI.
- Quality Driven wash services.

Investment of ₹5 Lakhs

Space of just 600 SFT.

Return on Investment in 6 months.

Franchise Model #2

Car Spa

Complete Detailing and Paint Protection Solutions Including Car Wash Setup

The Car Spa model provides comprehensive detailing and paint protection solutions using internationally approved eco-friendly consumables and new generation surface protection solutions. This mid-tier opportunity requires an initial investment of ₹11 Lakhs and a space of 1200 SFT. Focusing on complete detailing, the Car Spa model is structured to deliver a return on investment (ROI) within 7 months.

Highlights

- Internationally Approved Eco-Friendly Consumables.
- Gen Surface Protection Solutions.

Investment of ₹11 Lakhs

Space of 1200 SFT.

Return on Investment in 7 months.

Franchise Model #3

Wheel Care

Wheel Care Solutions

The Wheel Care model is the premium franchise offering, specializing in high professional spa and wheel care solutions with a focus on precision wheel care services. This comprehensive model, which also includes Car Spa solutions, is a substantial business venture requiring an investment of ₹20 Lakhs and a larger space of 1600 SFT. Given the specialized, high-value services, the Wheel Care franchise is projected to achieve a return on investment (ROI) in 9 months.

Highlights

- High professional spa and wheel care solutions.
- Precision wheel care services.

Investment of ₹20 Lakhs

Larger space of 1600 SFT.

Return on Investment in 9 months.
